During the last turn of the credit cycle, secured lenders increasingly faced an unfamiliar terrain in Chapter 11 bankruptcies:

- Debtors seeking reinstatement of senior loans to retain favorable economics and terms under existing loans
- Spurred by depressed collateral values, tight credit conditions, and other factors, increased use of 363 sales and prepacks, with secured lenders increasingly willing to credit bid and take ownership of distressed assets
- More aggressive pursuit of fraudulent conveyance and other actions by debtors and otherwise “out of the money” creditors to recover value from secured lenders

This panel, comprised of highly respected legal and financial professionals (from both the debtor and lenders sides), will explore these trends and recent related judicial decisions, as well as provide their views on how Chapter 11 will continue to evolve and what secured lenders can expect in Chapter 11 in the coming years. It is expected the panelists will discuss decisions in the Charter, Tousa, ASARCO, Metaldyne, Chrysler, and Philadelphia Newspaper cases, among others.

The Certified Turnaround Professional (CTP) designation was introduced in 1993 as an objective measure of the experience, knowledge and integrity that is necessary to conduct corporate renewal work. The CTP program establishes quality standards for an otherwise unregulated profession. The CTP designation provides evidence of an individual’s commitment to the turnaround and corporate renewal industry and also attests to a level of expertise that non-certified professionals may find difficult to prove. Completing the CTP certification process provides a corporate renewal professional with a solid foundation to operate successfully in the industry and could very well enhance future earning power.

The CTP program also offers an interim designation, the Certified Turnaround Professional–Designate (CTP-D), for those applicants who are working in the corporate renewal profession but have not yet acquired all of the necessary CTP work experience. This interim step to full certification indicates that the candidate has demonstrated proficiency in the legal, managerial and financial aspects of a turnaround and is concurrently working toward the CTP designation.

The CTP and CTP-D certification processes consist of the following steps:
1. Completion and submission of the Applicant Portfolio
2. Six-week Standards Subcommittee review process (including in-depth portfolio review; determination of examination eligibility; notification of eligibility status)
3. Successful completion of certification examinations
4. Successful completion of Public Comment Phase (one 60-day period for CTP candidates; two 60-day periods for CTP-D candidates)

Please click here to learn more about the CTP certification.

Unless otherwise appropriate as defined below, all other attendees will be charged the nonmember fee. If it comes to be that an individual registers at the member rate and TMA has no membership record, the individual will be charged the nonmember rate unless s/he can produce proof of membership. If you are interested in joining TMA, please contact the membership department at 312-578-6900 or info@turnaround.org.

- For the full-time academic/government employee registration fee, a full-time academic is defined as a student enrolled in at least 12 credit hours per term at an accredited university or an instructor employed on a full-time basis by an accredited university. Please submit appropriate documentation with your registration form.

- The spouse/guest full registration fee is for family members, friends and/or non-industry related individuals. TMA members are not eligible for this registration option. Individuals who practice in the corporate renewal industry and who are not TMA members are also not eligible for this registration option. Spouse/guest full registration includes entrance to all meals, social functions, keynote presentations and the exhibit hall. Except for the event pass detailed below, meals and social functions are not available on a pro-rated basis for spouses/guests. To attend any of the sessions included in this fee, you must register your spouse/guest at the full rate.

- The spouse/guest event pass is for family members, friends and/or non-industry related individuals. TMA members are not eligible for this pass. Individuals who practice in the corporate renewal industry and who are not TMA members are also not eligible for this pass. The pass allows entry into the following events only:
  - Wine and Cheese Reception (Wednesday, October 6)
  - Opening Reception (Wednesday, October 6)
  - Gala Cocktail Reception in the Exhibit Hall (Thursday, October 7)
  - Dinner (Thursday, October 7)

- On-site registration for members, nonmembers, and full-time academics/government employees will be subject to a $100 surcharge (added to the post-August 20 fees). This fee does not apply to the advanced educational session or spouse/guest registration options.

Submitting Your Registration

Registration forms must be mailed or faxed to TMA. You may also register online. Phone registration is not accepted. Registrations are not considered complete until payment is received. Individuals who register for the early registration fee but fail to provide payment by the Friday, August 20, 2010, early-bird deadline will be charged the regular registration fee. The registration form and payment must be received, not postmarked, by August 20. Postmarks will not be considered. Registered attendees will receive confirmation of their registration by email. For those individuals who register online, this notice is in addition to that which is automatically sent confirming the online transaction. This notice contains important convention details. Please carefully review the information for accuracy, especially your contact information, and please print a copy for your records. Changes must be submitted in writing by fax to 312-578-8336 or email to Angela Worlds at aworlds@turnaround.org. A confirmation notice is not required for admittance into the convention.

Pre-registration Deadline

Wednesday, September 29, 2010

Only on-site registration forms will be accepted after Wednesday, September 29, 2010. TMA will not accept any registration forms or substitution notices in advance of the convention after this date. On-site registration opens at the JW Marriott Grande Lakes on Wednesday, October 6, 2010, at 7:00 a.m. Please note that a $100 on-site registration surcharge will apply for certain registration categories (there is no surcharge to substitute a registration on-site).

Registration List Deadline and Distribution

Friday, September 24, 2010

To ensure your inclusion in the registration list distributed with the on-site convention materials, your registration form, with payment, must be received at TMA’s international headquarters office by 11:59 P.M. Central on Friday, September 24, 2010. Registered attendees will receive an advance copy of this list by email one week prior to the convention. Post-convention, a final registration list will be emailed to all registered attendees. The post-convention list will include the names of those individuals who registered after the September 24 registration list deadline.
Cancellation/Substitution Policies

Please carefully review the following policies. Registrants who fail to attend the convention and do not notify TMA in accordance with these policies and deadlines are responsible for full payment; this applies to policies for recreational events, as well.

Cancellation Policy

Notification of cancellation must be submitted in writing (email is acceptable). Cancellations will not be reviewed or processed until they are received in writing. Phone cancellations are not accepted. Cancellations received on or before Wednesday, September 22, 2010, will be refunded as follows:

- **Entire Convention Cancellation**: Attendee will receive a refund for the total cost of convention less a $250 processing fee. If the cancellation also includes cancellation of a spouse/guest registration (either spouse/guest registration option) and any events for which s/he may be registered, the refund will be for the total of all registration fees less the $250 processing fee.
- **Spouse/Guest Full Registration Cancellation Only**: Attendee will receive a refund for the full registration and any events for which the spouse/guest may be registered less a $75 processing fee.
- **Spouse/Guest Event Pass Cancellation Only**: Attendee will receive a refund for the event pass and any events for which the spouse/guest may be registered less a $75 processing fee.
- **Advanced Educational Session**: Attendee will receive a refund for the cost of the session less a $25 processing fee.

Refunds will be issued following the convention, no later than November 6, 2010. Cancellations received after Wednesday, September 22, 2010, will not be refunded. This includes the entire convention registration and/or any portion of the registration. TMA does not issue credits for future conferences. Please note that if you register for the convention after these cancellation dates have passed, you will not be eligible for any type of refund. These cancellation policies apply to all individuals, regardless of when the registration form is submitted.

Substitution Policy

Substitutions are permitted at any time. Substitutions must be submitted in writing (email is acceptable). Substitutions will not be reviewed or processed until they are received in writing. Phone substitutions are not accepted. The substitute must be from the same firm as the original registrant, and the substitution notice must contain accurate contact information for the new registrant; otherwise, TMA cannot guarantee an accurate listing in the registration list. Substitutions must be of the same membership status/category (e.g., member, nonmember, academic); otherwise, the substitute will be invoiced for the difference in registration fees. Please note that substitutions made after September 22, 2010, will not be reflected on the registration list, per the policy outlined in this brochure.

- **Entire Convention**: Substitution of an entire convention registration includes the fees for educational sessions, recreational activities and/or spouse/guest registration included with the original registration. If the substitute does not wish to utilize one or more of these options, TMA's cancellation policies will be applied.
- **Spouse/Guest Full Registration or Event Pass**: Substitutions are allowed for the spouse/guest registration options provided that the substitute is a spouse/guest of a registrant from the same firm as the original registrant, meaning spouse/guest registration is transferable only within the same firm.
- **Advanced Educational Session**: Substitutions are allowed at any time provided that the substitute is from the same firm as the original registrant.
- **Membership renewals** are non-transferable. In the case of a substitution for an entire convention registration that includes membership renewal, the membership renewal is retained by the original registrant.
