

INSOL Special Interest Section

INSOL International

TMA members can join the International Association of Restructuring, Insolvency & Bankruptcy Professionals (INSOL) special interest section of TMA for \$140 USD a year – over 40% off the individual listing price.

INSOL International is a world wide federation of national associations for accountants and lawyers who specialize in turnaround and insolvency. There are currently 40 member associations world wide with over 9,000 professionals participating as members of INSOL International.

Benefits of INSOL membership include:

Membership Directory

Published annually, the INSOL Directory is a focal point of reference for organizations and individuals working in the business-rescue and insolvency profession in over 60 countries throughout the world.

Conferences

Members of INSOL receive preferential rates to attend both the Quadrennial Congress, which is held every four years, and regional conferences which take place annually in the intervening years.

The conferences give you the opportunity to network with colleagues from your own country and worldwide with technical programs that are at the cutting-edge in their content and presentation. INSOL also arranges one-day seminars in various destinations to provide educational cross-border programs, members are entitled to a discounted rate.

INSOL World Quarterly Journal & Publications

The journal features current events and developments concerning the profession worldwide, our member associations, and INSOL International. It frequently includes items of technical news not covered elsewhere. This also provides members with a valuable way to advertise their services and reach potential customers worldwide. Members of INSOL receive free of charge a personally mailed copy of any additional publications produced by INSOL.

globalinsolvency.com

Access to the global insolvency Web site, a valuable source of information for members and provides INSOL members with a comprehensive overview of global insolvency issues.
