#### Meet *OUR 2015 ANNUAL SPONSORS*

As a pioneer in the turnaround and restructuring space, **Getzler Henrich** has tuned in to the objectives and sensitivities of all parties and helps companies identify and work toward the best solutions. It is in that context that they provide the full array of turnaround, workout, crisis and interim management, corporate restructuring, bankruptcy, financial advisory and distressed M&A services.

And because every client's situation is urgent, their approach to decision making and implementation is rapid and pragmatic. Each engagement begins with a diagnostic phase, and, based on their findings, they set realistic action steps to improve the company's operational and financial performance, enhance its enterprise value and maximize stakeholders' recoveries. Often Getzler Henrich will assume direct responsibility for implementing the action plan. In every case, Getzler Henrich commits themselves to doing what it takes to complete the assignment successfully.
