CONTINUING EDUCATION REQUIREMENT

MEASUREMENT PERIOD

Two (2) years. The time in which CTPs must complete their CPE credits shall be in two (2) year increments. The two-year period for new CTPs shall be applicable beginning on January 1 of the year following the year of certification.

HOURS REQUIRED

CTPs shall be required to attain thirty (30) CPE credits, including two (2) ethics CPE credits within the two (2) year period.

Educational programs and activities submitted for CPE hours should be in subjects pertaining to the fields of turnaround management and broadly defined business and law topics, accounting and finance, and taxes. In rare exceptions, some CPE credit may also be granted in cases where the educational program provides skills necessary for the conduct of specific assignments. Activity associated with committee/board meetings, business meetings, or networking/social events shall not receive credit.

You are recommended to obtain a certificate of attendance for each event and keep it on file for at least six months following the conclusion of your CPE reporting period. Annually, TMA will audit a random selection of CTPs; if audited, you will be required to provide documentation of attendance that demonstrates compliance with the requirements. If the sponsoring organization does not provide a certificate, the CTP is responsible for the completion of the *Sponsoring Organization Certificate of Attendance Verification Form*.

Please find a self-tracking form, as well as additional policies and guidelines at turnaround.org.

By placing an x in the box, I confirm my compliance with the continuing education requirements outlined in this document.
