SEE WHAT MBA CANDIDATE NICK SIMONETTI HAS TO SAY ABOUT TMA

Being involved in TMA allowed me to **meet with professionals** in the distressed investing and turnaround industry, who were all more than happy to **share their experience** and introduce me to other TMA members in roles relevant to post-graduation career interests.

Attending the Distressed Investing Conference allowed me to **tie in the concepts learned during my MBA coursework** and see how they were applied in a professional setting.

Connecting with TMA Leadership was invaluable as they have decades of experience in the field, and have been overly accommodating to make sure I am building my network in a meaningful way.
