### Meet our 2015 Annual Sponsor

**Crystal Financial's** core team has worked together since 1993, and been responsible for underwriting, closing and managing over \$20 billion in new secured debt. Crystal Financial understands the importance of a collaborative relationship with each of their clients, and they work tirelessly to understand their business and to deliver capital in a manner that addresses all their important financial objectives. Just as importantly they work with their clients as a partner and advisor after the loan closes in order to ensure that they can respond to future changes.
