COVID-19 UPDATE

TMA NYC continues to share the global concerns regarding the spread and impact on public health of the coronavirus outbreak (COVID-19). The safety and health of our members and supporters is still of the utmost importance and we continue to monitor the situation closely.

Considering the fast moving events, all TMA NYC events scheduled from now until June 15th are being cancelled or postponed. We will continue to keep you updated and are also working out ways to keep you engaged during this time as we understand many of you are now working remotely.

Please keep yourself informed on the virus by visiting the Center for Disease Control and Prevention website at www.cdc.gov.

If you are experiencing any potential COVID-19 symptoms (i.e. dry cough, fever, etc.) please follow the CDC 'Prevention and Treatment' guidance below.

Please review the links below for guidance and stay healthy and safe.
