

TMA INSTITUTE
SINGLE GATEWAY TO
ON-DEMAND EDUCATION

TMA INSTITUTE

The **TMA Institute** provides on-demand professional development segmented into four domains – Management, Law, Financial Analysis and Capital Structure, and Professional Best Practices – all made available online and at your fingertips whenever and wherever you want it.

By partnering with the TMA Institute, you will be able to provide professional development and thought leadership to the TMA community, which reaches both members (9,000+) and non-members.

SPONSORSHIPS

Webinars (\$2,500 each). Archived and available for purchase afterward.

Podcast (\$2,000 each)

White papers, case studies, thought leadership, anything related to professional development*

Self-directed online courses to foster professional development*

* More detailed information and fees can be determined by contacting Kris Wolcott
