

Dear Attendees, of the 2021 MARC Conference,

The Co-Chairs of the MARC in association with the regional TMA chapters are committed to the safety of all of our attendees, staff, speakers, plus hotel staff. We have taken all necessary precautions in hosting this in-person event. These include:

- Following all local or venue COVID-related protocols in place at the time of the event including those set by the State of Michigan, Wayne County, and the City of Detroit.
- Encouraging attendees to wear masks to protect unvaccinated children and adults in the spheres of our members and friends. Masks should be worn at all times during the event except when actively eating or drinking.
- Encouraging social distancing of six feet in indoor spaces
- Supplying masks, hand sanitizer, and soap across the facility to minimize the risk of viral transmission from guest to guest
- Asking all attendees to “fist pump” versus handshake during greetings.

We will continue to monitor the guidelines published by both the CDC and the State of Michigan and will update you with any changes to these protocols should they impact our event.

If you have any questions or concerns regarding the event, your safety as an attendee, please do not hesitate to contact [Chris Glatz](#) or [Sue Fischer](#). Please note, any cancellations for this event must be received in writing by September 10th. Please refer to our cancellation clause [here](#) for additional information.
