

**Randy Lederman** is a Managing Director of Originations at Great Rock Capital with responsibility for the Northeast region. Mr. Lederman is focused on raising the visibility of Great Rock by building relationships with intermediary partners, private equity sponsors and fellow lenders, which in turn will increase opportunities for clients in the region.

Mr. Lederman joins Great Rock Capital with 20 years of experience in business development, leveraged finance, and restructuring. Most recently, he served as a director of business development at AloStar Capital Finance for the New York City region. Prior to that, he worked at Cowen and Company in their Special Situations Group, in addition to various roles at middle market investment banks. He began his career as an analyst at Bank of America, after receiving a B.B.A. in Finance from the University of Michigan. Lederman is an active member of the Turnaround Management Association, Secured Finance Network, and the Association for Corporate Growth.
