

# PRO BONO SERVICES

---

## ✓ Personalized service

*The Chicago/Midwest Chapter of the Turnaround Management Association offers free performance improvement and “special projects” consulting for qualified small businesses and non-profits through its Pro Bono Committee. Candidates who qualify for these services are typically entities with sales or budget less than \$4 million.*

## ✓ Quality work product

*Our volunteers aim to deliver! They commit to 20 hours of time and may elect to do even more. Projects are eligible for Chapter and National awards. The Committee oversees the work product and provides support.*

## ✓ Matched professionals

*The Committee matches the unique qualifications of its members to pro bono opportunities as they arise, whether in relation to a particular industry or in specific disciplines.*

*The TMA Chicago/Midwest Chapter has a diverse membership across Chicagoland and Milwaukee and access to all disciplines within corporate renewal, including marketing/business development, vendor management, sales, cost management/budgeting, board development, HR, and fundraising consulting. Legal referrals are possible with area law firms and nonprofit pro bono service providers.*

## ✓ Expanding horizons

*Our volunteers bring experience, energy, and ideas that expand horizons through new and valuable insights.*
