A Message from the Chapter President

Welcome to 2019 and a new year of involvement with the Rocky Mountain Chapter of the TMA! I am delighted to have the opportunity to serve as Chapter President and give back to an organization that has helped me so much over the past several years. My vision for 2019 is simple: to continue the success of our Chapter by providing our community of professionals the chance to gather and share their knowledge and experience, to build connections that drive business forward. The strength of our Chapter really is the involvement, expertise and collaboration of each of us.

A few timely reminders:

- We are currently working on our annual sponsorships drive. First, thank you to all of our prior sponsors. Please consider having your firm step forward and support our efforts in 2019. Our Chapter relies on sponsorships to bring high-quality networking events to our members. We offer our sponsors brand visibility, thought leadership, and special access to our highly targeted audience.
- The [2019 TMA Distressed Investing Conference](#) is coming on February 6-8. This has become THE premier event for the year. Consider attending.

Sincerely,
[Ryan P. Birnel](#)
